Mission Statement

Parental Involvement Mission Statement (Optional)

Response: The purpose of our Parent Involvement Plan is to provide a framework within which the school and the parents work together to optimize learning for all students. We believe that the support of both the school and home is necessary for children to be successful with learning.

Involvement of Parents

Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1118(c)(3), 1114(b)(2), and 1118(a)(2)(B)].

Response: Our school believes that parental involvement in a child's education is a determining factor in how successful the learning experience will be. In addition to mandated volunteer hours, parents are encouraged to participate in all activities and events. We involve parents through PTA, Title 1 meetings and workshops, Thanksgiving Feast, field day, and throughout the year with our Manatee Jubilee celebrations on Wednesdays. Parental input suggests that parents want workshops that provide materials that parents can use at home to work with their children.
